Indiana Lady Describes Condition,  
Which She Says Was Due To  
Constipation and Tells of  
Relief Obtained From  
Black-Draught.

Scottsburg, Ind.—Mrs. Annie Johnson, of this place, writes: "I well remember I suffered for a long time with constipation, which would get me down. I took doctors' medicines and any number of purgatives. They would leave me in a worse condition than I was before taking, and my stomach so upset... I know once I suffered... from constipation, I was so ill we had to have the doctor, just so nervous and feverish. The doctor said I would have to quit medicines, my stomach was so bad..."

My husband was reading and found something about Thedford's Black-Draught and brought me a package to try. I used it regularly at first until I began to feel better, then I used just a dose occasionally. I was cured of this constipation and am sure the Black-Draught did it."

If your stomach is out of order, you will suffer from such disagreeable symptoms as headache, biliousness, indigestion, etc., and unless something is done, serious trouble may result. Thedford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, helping to regulate the liver and to cleanse the bowels of impurities. Try Black-Draught. EB-15
